Kiwanis Club of Arona San Carlo
Via del Lago 113
Castelletto Sopra Ticino, 28053
Italy

Dear Kiwanis Club of Arona San Carlo,

Thank you for your generous gift of US\$716.00 to The Eliminate Project. Your gift places you among the inaugural donors to help Kiwanis and UNICEF save and protect millions of mothers and their future babies by eliminating maternal and neonatal tetanus (MNT).

The Eliminate Project is an enormous undertaking where every gift matters as we begin our efforts to raise awareness and secure US\$110 million to eliminate a disease that kills one baby every nine minutes. The effects of MNT are excruciating—tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. Heartbreakingly, their mothers, fathers and caregivers are unable to hold and provide even the smallest amount of comfort to these fragile victims of MNT.

Kiwanis and UNICEF are working to fill the funding gap by 2015 required to eliminate MNT around the world. Your philanthropy will help provide targeted assistance and deliver life-saving vaccines to the most vulnerable women and children in the world: those in remote areas, conflict zones and with little access to healthcare.

Thank you for contributing your time and financial resources to The Eliminate Project. Together, our efforts will ensure that mothers and children at risk have an opportunity to live a life without the threat of MNT.

With all good wishes,

Ann Updegraff Spleth, CFRE

Kiwanis and UNICEF are working to fill the funding gap by 2015 required to eliminate MNT around the world. Your philanthropy will help provide targeted assistance and deliver life-saving vaccines to the most vulnerable women and children in the world: those in remote areas, conflict zones and with little access to healthcare.

Thank you for contributing your time and financial resources to The Eliminate Project. Together, our efforts will ensure that mothers and children at risk have an opportunity to live a life without the threat of MNT.

Kiwanis Club of Trapani
Via Salemi 94
Trapani (TP), 91100
Italy

Dear Kiwanis Club of Trapani,

Thank you for your generous gift of US\$2,148.00 to The Eliminate Project. Your gift places you among the inaugural donors to help Kiwanis and UNICEF save and protect millions of mothers and their future babies by eliminating maternal and neonatal tetanus (MNT).

The Eliminate Project is an enormous undertaking where every gift matters as we begin our efforts to raise awareness and secure US\$110 million to eliminate a disease that kills one baby every nine minutes. The effects of MNT are excruciating—tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. Heartbreakingly, their mothers, fathers and caregivers are unable to hold and provide even the smallest amount of comfort to these fragile victims of MNT.

Kiwanis and UNICEF are working to fill the funding gap by 2015 required to eliminate MNT around the world. Your philanthropy will help provide targeted assistance and deliver life-saving vaccines to the most vulnerable women and children in the world: those in remote areas, conflict zones and with little access to healthcare.

Italy

Dear Kiwanis Club of Cremona,

Thank you for your generous gift of US\$3,580.00 to The Eliminate Project. Your gift places you among the inaugural donors to help Kiwanis and UNICEF save and protect millions of mothers and their future babies by eliminating maternal and neonatal tetanus (MNT).

The Eliminate Project is an enormous undertaking where every gift matters as we begin our efforts to raise awareness and secure US\$110 million to eliminate a disease that kills one baby every nine minutes. The effects of MNT are excruciating—tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. Heartbreakingly, their mothers, fathers and caregivers are unable to hold and provide even the smallest amount of comfort to these fragile victims of MNT.

Kiwanis and UNICEF are working to fill the funding gap by 2015 required to eliminate MNT around the world. Your philanthropy will help provide targeted assistance and deliver life-saving vaccines to the most vulnerable women and children in the world: those in remote areas, conflict zones and with little access to healthcare.

Thank you for contributing your time and financial resources to The Eliminate Project. Together, our efforts will ensure that mothers and children at risk have an opportunity to live a life without the threat of MNT.

With all good wishes,

Ann Updegraff Spleth, CFRE

Kiwanis Club of Umbria Division
Italy

Dear Kiwanis Club of Umbria Division,

Thank you for your generous gift of US\$813.37 to The Eliminate Project. Your gift places you among the inaugural donors to help Kiwanis and UNICEF save and protect millions of mothers and their future babies by eliminating maternal and neonatal tetanus (MNT).

The Eliminate Project is an enormous undertaking where every gift matters as we begin our efforts to raise awareness and secure US\$110 million to eliminate a disease that kills one baby every nine minutes. The effects of MNT are excruciating—tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. Heartbreakingly, their mothers, fathers and caregivers are unable to hold and provide even the smallest amount of comfort to these fragile victims of MNT.

Kiwanis and UNICEF are working to fill the funding gap by 2015 required to eliminate MNT around the world. Your philanthropy will help provide targeted assistance and deliver life-saving vaccines to the most vulnerable women and children in the world: those in remote areas, conflict zones and with little access to healthcare.

Thank you for contributing your time and financial resources to The Eliminate Project. Together, our efforts will ensure that mothers and children at risk have an opportunity to live a life without the threat of MNT.

With all good wishes,

Ann Updegraff Spleth, CFRE
Chief Operating Officer
